Please indicate the name(s) of any staff or worker you would like to commend:

Bernadette has been the main person I have worked with at SIR. She has been there for years and has always gone above expectations to help and provide a great experience.

If you feel we fell short in meeting your service expectations, please describe the situation, including the name of the person involved and the date of the incident occurred:

The only reason for the good vs. Excellent marks above is that I didn't have direct interaction with the repair team.

We thank you for your time; please kindly mail back this form or fax back to 678-866-2524
